DIRECTOR'S MESSAGE

Katherine Clarke

Intermountainhog.com

Thank you, Dr Dave, for your leadership in 2024. It was a year of great adventures and great challenges. We thank you for your dedication and commitment to the Intermountain HOG Chapter, always wanting the best for all of us...and you achieved just that! You made a difference!

As we gear up for another exciting year, I can't help but feel grateful for the experiences we've shared and the adventures that lie ahead. Whether you're a seasoned rider or new to the group, the road is always open for new memories and friendships. We all have at least one thing in common. As a member of the Harley Owners Group, there's something uniquely exhilarating about the open road that only a Harley rider can truly understand. The roar of the engine, the wind on your face, and the camaraderie of fellow riders make every journey unforgettable.

Now, since we are off to another year of great adventures and great challenges...this year's Director's Challenge is riding to Idaho cities that begin with the letters "H" or "O" or "G." There are a total of 31 cities...located as far North and South or East and West that you can ride. Take a picture in front of a city sign with your Harley (only if it can be done safely) and I will have something special for the member who visits all or the most. The winner will be presented something special at the end of the year at the Friendsgiving Potluck General Membership Meeting on December 5th, 2025.

It's time for making new memories while we "Ride in 2025!" Ride safe, and see you on the open road!

It is my pleasure to introduce your 2025 Board!

MEET SOME OF YOUR NEWEST BOARD MEMBERS!**ACTIVITIES OFFICER**

Marcia Seibel

seibel703@gmail.com

Hello everyone! I am Marcia Seibel and I am the Activities Officer this year. I have been married to my husband Dennis for 54 years and we have lived in Boise all our lives. We have 2 grown children and 4 grandchildren: 2 here, 1 in North Dakota, and 1 in California.

I have been retired for 5 years now after working 40 years as a Personal Secretary/Bookkeeper for a very influential farmer/entrepreneur.

We love to camp with our family and Good Sam group and enjoy traveling on our trike with fellow HOG members and friends from another motorcycle club we belong to.

I look forward to meeting and working with all of our Intermountain HOG members this year as the Activities Director.

**MEMBER AT LARGE**

Shannan Bate

My name is Shannan Bate. I am an Independent licensed Medicare broker. Helping others is a passion of mine besides riding my Harley Freewheeler and time with my friends and family. I ride because I like freedom, fresh air, scenery, the joy after a long ride and the wonderful people I ride with. I am excited to be a member at large board member and look forward to supporting the board members and membership with our 2025 projects and events.

**MEMBER AT LARGE**

Bill Dike

I started going to Board meetings a couple of years ago just to get more familiar with the behind-the-scenes workings of our HOG chapter. Next thing I knew, our incoming Director, Katherine Clarke, appointed me to the Board as a Member at Large! I've been riding something with two wheels and a motor since I was 15 and even got my first driver's license on a motorcycle. Currently, I ride a 2021 Ultra Limited Street Glide. My wife and I have been Intermountain HOG members for eight years and love the great activities and rides our chapter sponsors. I look forward to helping make the Members at Large events the best ever!

MEMBER AT LARGE*Bill Mullen*

I would like to introduce myself. I am Bill Mullen, and I am one of the 2025 Members At Large for the Chapter. I retired from the Air Force in 2003 after 20+ years of service and am close to retiring from working for the Air Force as a civilian after 20+ years. I truly enjoy riding and am looking forward to doing many miles this year with this great chapter.

Currently I ride a 2024 Tri-Glide after riding 2 wheels for many years. I have ridden with many groups and by far this Chapter has been the most enjoyable. I have been a member of the Chapter for 2 years and wanted to see what the Executive Board is about and what I could do to make things happen. I have learned a lot and have more to learn.

A stylized graphic of the words "thank you!" in a cursive font, surrounded by small yellow stars and a decorative underline.

A very special **‘Thank You’** to the 46 members who volunteered their time during the holiday season to participate in the Chapter’s Gift Wrapping Fundraiser at High Desert Harley-Davidson!

Also, we would like to thank Mark Dukes, Greg Downen, Matt Frost, David Brice, Hanna Schliep, & Leticia Parraz for your help in making it another successful event!

HISTORIAN

Mason Clarke

Did you know that a variety chapter names (Idaho Whole Hog, Snake River, Les Bois, Gem State, Arrow Rock, Lucky Peak among others) were considered before settling on our original chapter name "IDA-HOG"? Did you know that the chapter once had a "Piglet" membership? Did you know Mountain Home once had an HD dealership called C&C Harley Davidson?

If you didn't, you can find these facts and many more in the Historian page of our web site. Researching and compiling any documents left behind by those preceding us led to the creation of the Historian page in 2016. This chapter has a long and interesting history since 1987. Delving into the history of our chapter is only a few keystrokes away:

To open the web site, go to "www.intermountainhog.com"

- Click on "Members Only" tab
- Click on the "Historian" tab
- Enter the chapter's password
- Click on either "History" (summarizes board and membership meeting activities) or "Events" (chronicles rides and events of a given year)

POST-RIDE REPORTS

BOISE HOLIDAY PARADE

December 7, 2024

Shannon Weston, Lead Road Captain

Thank you to the 20 members on 5 bikes and 7 trikes who participated in the Boise Holiday Parade on December 7! When we left our house in west Boise, there wasn't any snow on the ground. However, when we arrived at High Desert Harley-Davidson, there was a dusting of snow and it was 24 degrees! The roads were thankfully clear and dry as we proceeded to downtown Boise to check in. After we arrived at the staging area, everyone got busy decorating their bikes and some even donned costumes to celebrate the holiday! We were towards the front of the parade again this year and enjoyed the cheers and yells from the crowd watching along the parade route. KTVB Channel 7 even included us in the parade broadcast!

FROZEN BUTT RIDE

January 1, 2025

Ron Pursell, Lead Road Captain

The Frozen Butt Ride is over, so we have kicked off the 2025 riding season. This year the ride became a drive due to snowy and icy weather. We had 61 people brave the roads to attend, (a little light but understandable with road conditions). It was great to see and visit with so many of our chapter family. As usual, the food and service at the Boise Stage Stop was excellent and we were done by noon and off to watch the bowl games.

For 2025, I challenge everyone to contact a Road Captain with an idea for a new-to-the-chapter ride, a different route for one of our time-tested rides, or maybe something we can do or see at the end of a ride that participants might enjoy. Come on 2025!

AFTER CHRISTMAS CHRISTMAS PARTY 2025

January 13, 2025

Katherine Clarke, Director

What a magical masked evening... The holiday season was far from masked over for the Chapter, as our After Christmas-Christmas Party turned into an unforgettable Masquerade Ball that had everyone unmasking their festive spirit!

With 129 registered for FUN and arriving in a flurry of sequins and feathers, in renaissance flare, our members masked up in style, ready to enjoy an evening of mystery and merriment. The ballroom, beautifully masked in twinkling lights and elegant decor, set the perfect backdrop for a night of laughter and camaraderie.

As the night unfolded, the dance floor quickly became the place to be, with members unmasking their best dance moves to the sounds of Straightaway! The live band played tunes that masked any trace of winter blues, keeping everyone on their feet and in high spirits.

As the night came to a close, we left with hearts full of joy, eagerly looking forward to the roads ahead and the adventures that await in 2025. Here's to the unmasking of new experiences and the friendships that make every ride and event unforgettable.

UPCOMING RIDES AND/OR EVENTS

MEMBER THOUGHTS....

Another Year

Submitted by Herb Weston, Member at Large

As the new year starts, we find ourselves dreaming and planning for the upcoming riding season. We glance outside at the weather and wonder, "Is it too cold or too wet to go for a little ride?" While the weather may force us to make our rides a little shorter during this time of year, they still clear our minds and remind us of the freedoms we enjoy.

It isn't long before the weather starts to agree with us that it is time to ride. We see more and more bikes of all makes and models out on the roads. Some of the riders are newbies while others are seasoned. But it doesn't matter because we all love to ride.

For me, there is nothing like throwing my leg over a Harley. When on a Harley, you feel the history, breathe the culture, and grasp the freedom it brings. You know you are one of the lucky ones - you can travel any road you want just to feel the wind in your face.

Life is too short not to ride a Harley!

STATEMENT OF UNDERSTANDING

By becoming a Life Flight Network Member, you agree to the terms stated below.

A Life Flight Network Membership relieves you from liability for out-of-pocket costs of emergent, medically necessary transports completed and billed by Life Flight Network. Your membership is not an insurance policy but secondary to insurance carriers and health care cost sharing programs. All available insurances will be billed first including health, auto, workers compensation and third-party insurance. Life Flight Network will accept payment from insurance carriers and other third party payers as payment in full.

Membership benefits are available for those eligible household members listed on the member record at the time of transport if the transport is an emergent, medically necessary transport to the closest, most appropriate facility, performed by Life Flight Network, its contracted agents, or reciprocal partners, subject to the reciprocal program's rules.

Membership benefits are extended to the primary member, his/her spouse or domestic partner and dependents claimed on their income tax return. Dependents must be added to the member record within 30 days of birth or adoption. Elderly (age 65+) and disabled family members living in the same household are also covered. Life Flight Network may require documentation or other verification of membership eligibility.

Emergency medical transports are based on medical need, not membership status. Medical need can only be determined by a physician, EMS provider, hospital or another qualified third-party recognized by Medicare, and is in all cases subject to the final determination of the health insurance carrier, if any.

Non-emergent transports are not eligible for Life Flight Network membership benefits.

Availability of service cannot be guaranteed due to weather conditions, maintenance, commitment to another transport, out-of-service equipment, and other reasons.

New and lapsed membership benefits take effect upon receipt of a completed enrollment with payment.

Membership fees are non-refundable, non-transferable and are not tax-deductible. Life Flight Network may cease selling and servicing memberships should any governmental body, now or in the future, determine memberships can no longer be offered within their jurisdiction. No refunds will be made for any memberships already purchased.

I transfer directly to Life Flight Network my rights to insurance payments due to me for services provided by Life Flight Network. Such payments shall not exceed Life Flight Network's regular charges. Denial of a claim by an insurance provider must be received by Life Flight Network in writing. Membership benefits do not extend to transports deemed not medically necessary or when insurers deny payments due to coordination of benefit issues. Per government regulations, individuals covered by Medicaid are not eligible for Life Flight Network membership and should not apply.

I specifically release and waive any and all rights, claims or causes of action against Life Flight Network and its employees and agents with respect to my Life Flight Network Membership.

The Membership Program may be canceled at any time for any reason, including financial feasibility and governmental regulation of such programs. Terms and conditions are subject to change. For current terms see www.lifeflight.org
